It was my good fortune to take an early interest in this discipline and to see it reach maturity. It has been a pleasant association I hail a semi-group when I see one and I seem to see them everywhere Friends have observed, however, that there are mathematical objects which are not semi-groups. The present book is an elaboration of my Colloquium Lectures delivered before the American Mathematical Society at its August, 1944 meeting at Wellesley College. I wish to thank the Society and its officers for their invitation to present and publish these lectures. The book is divided...
